

# Host a fundraising house pARTy for Delaware Valley Arts Alliance

Contribute your cooking and creativity by hosting one of dozens of simultaneous house parties and gatherings on Saturday, April 10 for the benefit of Delaware Valley Arts Alliance.

## “Savor the Arts”

marks the launch of

a year-long \$100,000 fundraising drive to sustain the arts, culminating with DVAA's 35th Anniversary Gala in March of 2011.

We need your help to meet our goal.

“Savor the Arts” parties will be held throughout the region. Yours can be as simple as barbecued beans and beer to a lavish champagne and caviar event at your home, place of business, or public space. You may set a suggested donation price or ask guests to contribute what they can. Your guests will then be invited gratis to an open house, brunch and silent auction on Sunday, April 11 at the Delaware Arts Center in Narrowsburg.
